KEVIN'S SONG

Kevin's Song, a 501(c)(3) organization, is dedicated to generating public awareness about the causes of suicide, its prevalence in our society and possible preventive measures. Kevin's Song has enlisted local producer and director, James McGovern, to create a documentary film, *Singing Kevin's Song*, that addresses current efforts in suicide prevention, primarily on a local level. The proceeds to this event will go towards funding this film. *Singing Kevin's Song* will be aired on our local PBS station and used for educational purposes in our community.
