

## **T.A.S.K.S. Recognition**

As a community of health care professionals and educators, we all have T.A.S.K.S. to do in order to help save lives and prevent suicide whenever possible.

While the field of suicidology is not an exact science, and it is difficult to predict who will end their lives, we are amassing more and more scientific, evidence-based information that can help put a stop to such tragic losses in our communities.

What is T.A.S.K.S. you ask?

### ***T*** ***raining and*** ***A*** ***wareness on*** ***S*** ***uicide from*** ***K*** ***evin's*** ***S*** ***ong***

This Recognition is something extra we are providing to qualifying attendees at our annual Kevin's Song Conference on Suicide starting this year. The Conference on Suicide and School Summit offer a comprehensive program of educational sessions that focus on suicide.

*To become qualified for T.A.S.K.S. recognition, you must be a licensed health care professional or educator. You will be required to attend every PLENARY SESSION during the 2-day Conference and attend at least 4 Breakout sessions. You can include the Plenary and Breakout sessions from both the School Summit and the Conference on Suicide in order to earn your T.A.S.K.S. recognition.*

Not only will you earn CEUs, you will go home with a Certificate for your office, certifying to your colleagues and to the community that you have attended this comprehensive 2-day conference with its focus on suicide – awareness, research, prevention and treatment.
