Dear Prospective Kevin's Song Supporter,

Suicide is a crisis that touches countless lives—and with your support, we can prevent even more tragic losses. Kevin's Song is at the forefront of the movement to end suicide, and we need leaders like you to join us in this critical fight. By becoming a sponsor, donating an auction item, or purchasing a table at our exclusive *Starry, Starry Night* fundraiser, you'll have a direct impact on saving lives and providing hope to survivors.

Your involvement in this event will place you alongside a distinguished group of individuals—suicide loss survivors, community leaders, and supporters of Kevin's Song—all committed to addressing one of the most urgent public health issues of our time. This is a unique opportunity to align your family's legacy with a cause that's both personal and transformative.

For over a decade, Kevin's Song has led the charge in suicide prevention and education. Here's a glimpse into how we've made a difference:

**The Suicide Prevention Education Summit**

Now in its tenth year, this widely respected event is Michigan's largest conference dedicated to suicide prevention. It brings clinicians, researchers, educators, and advocates together to share evidence-based strategies and tools to address the growing mental health challenges in our communities.

**Youth Mental Health and School Summit**

Focusing on integrating schools, together with youth-serving organizations and clinicians, to promote suicide prevention and mental well-being. Presentations appeal to educators, mental health professionals and suicide prevention advocates who work with young people to build awareness and to share prevention strategies that are tailored to this diverse population.

**Community Outreach and Resources**

We distribute vital suicide prevention resources at mental health fairs, collaborate with like-minded organizations, and attend wellness events across Southeast Michigan.

**Survivors of Suicide Loss Support Groups**

Kevin's Song provides safe, compassionate spaces where individuals who have lost someone to suicide can share their experiences and find connection with others who understand—all within a peer-based, facilitated setting.

**Faith Leader and First Responder Suicide Prevention Education Training**

We provide specialized suicide prevention and postvention training for faith leaders—often the first to support individuals and families in crisis. We also equip first responders with evidence-based tools to recognize and respond to suicide risk while supporting their own well-being in the face of ongoing stress and trauma.

We've achieved a lot, though there's still so much to be done. Your support will help fuel the next chapter of our efforts. Together, we can make a profound difference in the lives of individuals and communities affected by suicide.

Please consider joining us as a sponsor for *Starry, Starry Night* and make a lasting impact. To learn more and get involved, visit [www.kevinssong.org](http://www.kevinssong.org).

With sincere gratitude for your consideration,

Sincerely,  
Starry, Starry Night 2026 Planning Committee  
Lee Kirtley, Chair
